A MESSAGE TO PARENTS

EVERY PARENT WANTS A SUCCESSFUL CHILD.

Good marks matter.

A strong academic foundation matters.

But the world our children will enter will ask for much more.

It will ask them to **communicate, think, solve problems, work with people, use technology, face challenges and make good decisions.**

At Indiana Global Public School(**IGPS**), we want to prepare children for **both examinations and life.**

WE WANT OUR STUDENTS TO HAVE:

- Knowledge to understand
- Skills to perform
- Confidence to communicate
- Values to choose wisely
- Courage to face challenges
- Awareness to understand themselves
- Direction to build their future
- Because every child is different
- Every child has potential
- Our job is to help them discover it and become successful

At Indiana Global Public School(**IGPS**), **we believe that education is not simply about preparing a child for the next examination—it is about preparing them for the next stage of life.**

Every child who walks through our doors comes with a unique personality, ability and potential. Our responsibility is to create an environment where that potential is recognised, nurtured and transformed into **confidence, competence and character.** We are committed to building a school culture where children are encouraged to **question, explore, create, communicate, collaborate and lead**—while remaining grounded in strong values.

We invite parents to become our partners in this journey. When **school and family** work together, children don't just perform better—they grow into better human beings.

We are not here merely to produce successful students.

We are here to help build capable, confident and responsible individuals who are ready for the future.

OUR PHILOSOPHY

"BEYOND MARKS"

"We don't just prepare children for what comes next.
We prepare them for whatever comes next."

A GOOD MARKSHEET IS IMPORTANT. BUT A CHILD'S FUTURE IS MUCH BIGGER.

We don't want children to study only to remember answers.
We want them to learn to:

THINK

Ask questions • Understand • Analyse

DO

Apply knowledge • Experiment • Solve

SPEAK

Communicate • Present • Express

CREATE

Imagine • Design • Build

LEAD

Take responsibility • Work with others

DISCOVER

Understand their strengths, interests and possibilities

OUR MISSION

To nurture knowledgeable, skilled, confident and compassionate individuals through meaningful learning, strong values and real-world experiences.

OUR VISION

To create a generation that is not only ready for examinations, but ready for life, work and the world.

OUR SIMPLE FORMULA

LEARN WELL

BUILD SKILLS

KNOW YOURSELF

SHAPE YOUR FUTURE

"The future belongs to those who believe
in the beauty of their dreams."

WHAT IGPS STANDS FOR

MORE THAN A SCHOOL.

A PLACE TO DISCOVER → A PLACE TO GROW → A PLACE TO BECOME.

At **IGPS**, we believe education is not about creating children who are all the same.

It is about helping every child discover who they are, what they can become, and how they can make a difference.

Our approach brings together five essential dimensions of a child's growth:

KNOWLEDGE

Building strong academic foundations and the ability to understand, question and think.

SKILLS

Developing communication, creativity, technology, collaboration and problem-solving.

CHARACTER

Growing with honesty, discipline, empathy, respect and responsibility.

SELF-DISCOVERY

Recognising strengths, interests, emotions and individuality.

PURPOSE

Building confidence, ambition and the ability to make thoughtful choices about the future.

THE IGPS CHILD

**Not simply a student who knows more,
but a young person who can think better, do better and live better.**

- CURIOUS TO LEARN
- CONFIDENT TO EXPRESS
- SKILLED TO PERFORM
- STRONG IN CHARACTER
- WISE TO CHOOSE
- COURAGEOUS TO LEAD
- READY FOR LIFE

**"BECAUSE THE TRUE MEASURE OF EDUCATION
IS NOT WHAT A CHILD SCORES, BUT WHO THE CHILD BECOMES."**

ACADEMIC EXCELLENCE

STRONG ACADEMICS. STRONG FOUNDATIONS.

We believe true academic excellence is not about how much a child can remember, but how deeply a child can understand. A child who understands can question, connect, apply and think independently. That is why, at IGPS, we want learning to go beyond textbooks and examinations. We want children to discover the “why” behind the “what”—and develop the confidence to use what they learn in the real world.

IN OUR CLASSROOMS, WE ENCOURAGE CHILDREN TO

UNDERSTANDING

Learn the concept, not just the answer

QUESTIONING

Ask why • Ask how • Explore

PRACTISING

Learn through practice and application

THINKING

Connect classroom knowledge with real life

IMPROVING

Understand mistakes and keep getting better

OUR APPROACH TO LEARNING

Concept-Based Learning • Activity-Based Learning • Experiential Learning
Regular Assessment • Individual Support • Strong Learning Habits

We set high academic expectations while recognising that every child learns differently and grows at their own pace.

Our goal is not simply to help children score well.

Our goal is to make them understand well—
so they can think well, learn independently and achieve meaningfully.

**“GOOD MARKS MEASURE PERFORMANCE,
GOOD UNDERSTANDING BUILDS POSSIBILITY”**

“Education is not preparation for life,
education is life itself.”

CHOOSE HOW YOUR CHILD GROWS

DAY SCHOLAR | DAY BOARDING | HOSTEL

THREE PATHS • ONE PURPOSE

TO GIVE EVERY CHILD THE RIGHT ENVIRONMENT TO LEARN, GROW AND BECOME.

Every child is different. Every family has different needs.

That is why **IGPS** offers three thoughtfully designed learning environments—so parents can choose not just where their child studies, but how their child spends the most important years of growing up.

DAY SCHOLAR

LEARN AT SCHOOL. GROW AT HOME.

A balanced school experience with the comfort, care and family environment waiting at home.

Best suited for families living nearby.

DAY BOARDING

DON'T LET THE SCHOOL DAY END AT THE LAST BELL.

Why send children home when the most valuable hours of the day can be used to learn, practise, play, create and grow?

Day Boarding extends the learning experience beyond regular classroom hours through a structured and supervised routine of:

Guided Study

Sports & Fitness

Creativity & Activities

Communication & Life Skills

Practical Learning

Personal Attention

WHY FAMILIES CHOOSE DAY BOARDING

MORE LEARNING. LESS UNPRODUCTIVE TIME.

MORE ACTIVITY. LESS SCREEN TIME.

MORE GUIDANCE. MORE CONFIDENCE.

MORE OPPORTUNITIES. MORE GROWTH.

It gives children a safe, purposeful and enriching environment after regular classes—while they still return home to their families every evening.

DAY BOARDING

THE BEST OF BOTH WORLDS.

THE CARE OF HOME + THE OPPORTUNITIES OF SCHOOL.

“Dream, dream, dream. Dreams transform into thoughts and thoughts result in action.”

HOSTEL

A SECOND HOME • A STRONGER CHILD

Hostel life at IGPS is not simply about staying away from home.

It is about learning to stand on your own feet.

With a structured residential routine, children gradually develop:

INDEPENDENCE • DISCIPLINE • RESPONSIBILITY

TIME MANAGEMENT • TEAMWORK • CONFIDENCE

They learn to organise themselves, care for their belongings, respect routines, live with others, face challenges and make responsible choices.

WHY RESIDENTIAL LIFE MATTERS

“CLASSROOMS TEACH KNOWLEDGE,
RESIDENTIAL LIFE TEACHES LIFE”

For students living away from home, every day becomes an opportunity to develop maturity, self-reliance and confidence—under the care and guidance of the school.

HOSTEL IS

- A SAFE ENVIRONMENT TO GROW
- A DAILY ROUTINE TO BUILD DISCIPLINE
- A COMMUNITY THAT BUILDS CONFIDENCE

THREE OPTIONS. ONE IGPS PROMISE.

DAY SCHOLAR

School + Family

DAY BOARDING

School + Extended Learning + Activities

HOSTEL

School + Residential Growth + Independence

**‘CHOOSE THE ENVIRONMENT,
WE’LL HELP YOUR CHILD MAKE THE MOST OF IT’**

FUTURE SKILLS

**'THE WORLD IS CHANGING,
OUR CHILDREN MUST BE READY'**

Tomorrow's world will need people who can think, communicate, create and adapt.
WE DEVELOP

 **COMMUNICATION**

Speak clearly • Listen carefully • Express confidently

 **CREATIVITY**

Imagine • Experiment • Create

 **PROBLEM SOLVING**

Think differently • Find solutions

 **TEAMWORK**

Cooperate. Respect • Contribute.

 **LEADERSHIP**

Take responsibility • Make decisions

 **DIGITAL SKILLS**

Use technology intelligently and responsibly

 **GOAL SETTING**

Learn to set goals and work towards them

PSYCHOLOGY & SELF-AWARENESS

KNOW YOURSELF

DISCOVER YOUR POTENTIAL

- Every child is different
- Some are natural speakers
- Some are creators
- Some are problem-solvers
- Some lead quietly
- Some discover their strengths only when given the right opportunity.
- We help children gradually **understand**:
- What am I good at?
- What do I enjoy?
- How do I learn best?
- What are my strengths?
- Where can I improve?
- What possibilities may suit me?

The goal is not to label a child, the goal is to help the child understand themselves. This awareness can help children grow in confidence, learning and decision-making.

At **IGPS**, we help them to discover their original strength through awareness and psychological training.

IT IS ALSO ABOUT WHO YOU BECOME.**

We want our students to grow into capable people with strong character.

DISCIPLINE

Do the right thing consistently.

HONESTY

Be truthful and trustworthy.

RESPECT

Value people and differences.

EMPATHY

Understand and care for others.

RESPONSIBILITY

Own your actions.

RESILIENCE

Fall. Learn. Rise again.

CONFIDENCE

Believe in yourself.

FUTURE READINESS

WHAT CAN MY CHILD BECOME?

We don't believe every child should follow the same path. Our role is to give children exposure, skills and guidance so that they can gradually discover their own direction.

THE IGPS FUTURE JOURNEY

DISCOVER

Know yourself.

EXPLORE

Experience different possibilities.

DEVELOP

Build useful skills.

DECIDE

Set meaningful goals.

PREPARE

Take steps towards your future.

WE WANT EVERY CHILD TO GRADUALLY UNDERSTAND:

What am I good at?

What do I enjoy?

What skills do I need?

What can I become?

How can I get there?

ME → MY STRENGTHS → MY SKILLS → MY GOALS → MY FUTURE

"The best way to predict the future is to create it."

THE IGPS CHILD

WE DON'T WANT TO MAKE EVERY CHILD THE SAME.

WE WANT TO HELP EVERY CHILD BECOME THEIR BEST SELF.

Not identical • Not perfect • Not defined by marks

BUT CAPABLE • CONFIDENT • CURIOUS • CREATIVE • KIND • FUTURE-READY

At **IGPS**, we want children who can:

THINK — independently, critically and creatively

SPEAK — with confidence and clarity

CREATE — ideas, solutions and possibilities

SOLVE — problems, challenges and real-life situations

COLLABORATE — respect others and work as a team

LEARN — from experience, mistakes and failure

CHOOSE — with responsibility, courage and character

DISCOVER — their strengths, interests and potential

GROW — with curiosity, resilience and purpose

BECAUSE EDUCATION IS MORE THAN MARKS.

A report card measures performance.

We want to develop potential.

An examination tests knowledge.

We want to build capability.

A certificate records achievement.

We want to shape character.

WE ARE NOT JUST PREPARING CHILDREN FOR EXAMINATIONS.

WE ARE PREPARING THEM FOR LIFE

OUR ULTIMATE GOAL

WE WANT EVERY CHILD TO DISCOVER THREE THINGS:

➤ **WHO I AM?**

My identity. My values. My strengths.

➤ **WHAT I CAN DO?**

My abilities. My confidence. My potential.

➤ **WHERE I WANT TO GO?**

My dreams. My direction. My purpose.

**BECAUSE A CHILD WHO KNOWS THEMSELVES,
BELIEVES IN THEMSELVES,
AND KNOWS WHERE THEY ARE GOING—
IS READY FOR LIFE.**

THAT IS THE IGPS CHILD.

WHY IGPS?

"More than a school.
Where dreams grow and future leaders emerge."

**17 YEARS. MILLIONS OF DREAMS. ONE PURPOSE.
BUILDING EDUCATION. EMPOWERING GENERATIONS.**

Choosing a school is one of the most important decisions a parent makes. Because a school does not simply educate a child.

IT HELPS SHAPE WHO THAT CHILD WILL BECOME.

For 17 years, Minervaa has been driven by a simple but powerful belief:

EVERY CHILD HAS POTENTIAL.

THE RIGHT ENVIRONMENT CAN UNLOCK IT.

What began as an educational initiative has grown into a trusted educational ecosystem, reaching students and schools across India through scholarship examinations, academic programmes, assessment platforms, skill development and innovative learning initiatives.

5M+

STUDENTS ASSESSED

16,000+

ASSOCIATE SCHOOLS

1M+

SCHOLARSHIPS ENABLED

17 YEARS OF EDUCATIONAL EXPERIENCE

These numbers represent more than scale.

THEY REPRESENT TRUST • EXPERIENCE • OPPORTUNITY • AND MILLIONS OF YOUNG MINDS NOW, THAT EXPERIENCE COMES TO IGPS.

Indiana Global Public School brings the educational experience of Minervaa into a complete school environment—where academic learning meets skills, technology, values, experiences and personal growth.

Because we believe:

A CHILD IS MORE THAN MARKS

More than a report card

More than a rank

More than a certificate

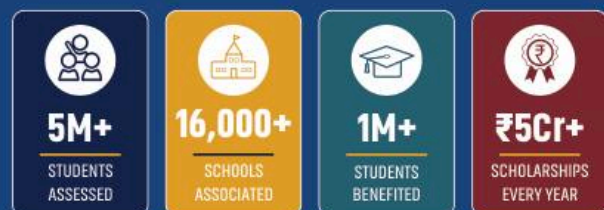

A child is a thinker, creator, communicator, explorer and future leader in the making.

That is why **IGPS** is built around a larger purpose:

**NOT JUST TO TEACH CHILDREN WHAT TO LEARN—
BUT TO HELP THEM DISCOVER WHAT THEY
CAN BECOME.**

**BEYOND MARKS • BUILDING CHILDREN FOR
THE FUTURE.**

Experience behind us.
Innovation ahead of us.
Children at the heart of everything we do.

"From millions of learners to one child at a time —
The **Minervaa** legacy now comes to IGPS."

THE PEOPLE BEHIND THE CHILD

BECAUSE GREAT SCHOOLS ARE BUILT BY GREAT PEOPLE.

A beautiful campus can create an impression.

Technology can create opportunities.

But it is people who create transformation.

At IGPS, we believe children grow best when they are surrounded by adults who teach with purpose, listen with patience, guide with understanding and lead by example.

OUR TEACHERS KNOW HOW TO TEACH.

They make learning clear, engaging and meaningful—while encouraging every child to ask, explore and think.

OUR MENTORS KNOW HOW TO GUIDE.

They understand that every child is different, with different strengths, challenges, interests and dreams.

OUR LEADERS KNOW HOW TO INSPIRE.

They create a culture where children are encouraged to take responsibility, develop confidence and believe in their own potential.

THE IGPS PROMISE

WE DON'T PROMISE TO MAKE EVERY CHILD THE SAME.

WE PROMISE TO KNOW THE CHILD.

- To understand their strengths
- To notice their struggles
- To encourage their questions
- To celebrate their progress
- To guide them through their challenges
- To help them learn from failure
- To give them the confidence to try again

Because every child deserves more than instruction.

THEY DESERVE ATTENTION • THEY DESERVE ENCOURAGEMENT.

THEY DESERVE GUIDANCE • THEY DESERVE TO BE BELIEVED IN.

OUR COMMITMENT TO EVERY CHILD KNOW THEM.

Understand who they are.

NURTURE THEM- Unlock their strengths and potential.

CHALLENGE THEM- Help them grow beyond their comfort zone.

GUIDE THEM- Help them make thoughtful and responsible choices.

PREPARE THEM- Give them the skills, confidence and character to face the future.

BECAUSE A CHILD MAY FORGET A LESSON.

BUT THEY WILL REMEMBER THE TEACHER WHO BELIEVED IN THEM.

THAT IS THE IGPS PROMISE.

PARENTS & STUDENTS SPEAK

HAPPY CHILDREN. CONFIDENT PARENTS. MEANINGFUL LEARNING

The best way to understand a school is to hear from the people who experience it every day.

HEAR IT FROM OUR IGPS FAMILY

"A SCHOOL THAT UNDERSTANDS CHILDREN."

"The teachers understand that every child is different. They focus not just on studies, but also on confidence, behaviour and individual strengths. We've seen our child become more confident and interested in learning."

— Parent of Mridul Sarkar, Class UKG

"LEARNING FEELS DIFFERENT HERE."

"I enjoy school because we learn more than just from books. We get to ask questions, try new things and participate in activities. My teachers always encourage me to do my best."

— Tamanna Tabbassum Hussain, Class VI

"WE CAN SEE THE CHANGE."

"The biggest change we've seen is in our child's confidence. Today, they communicate better, participate more and express themselves freely. That change means a lot to us."

— Parent of Shreenanda Das, Class V

"MORE THAN JUST A SCHOOL."

"IGPS is helping our child learn, grow and discover new interests. We value the focus on academics, activities, values and real-life skills. It truly feels like preparation for life, not just exams."

— Parent of Aditi Mondal, Class IV

MORE THAN A MARKSHEET

THEY ARE LEARNING

THEY ARE GROWING

THEY ARE FINDING THEIR VOICE

And that is the journey we value most.

'THE RIGHT BEGINNING, A STRONGER FUTURE'

Every child is different.

Every child has a different strength, a different curiosity, a different dream.

Our responsibility is not to decide who they should become.

It is to give them the environment, opportunities and confidence to discover it for themselves.

At Indiana Global Public School, we go beyond marks to build children who can:

THINK → CREATE → COMMUNICATE → EXPLORE → LEAD

BECAUSE THE FUTURE IS NOT SOMETHING WE SIMPLY PREPARE CHILDREN FOR.
IT IS SOMETHING WE PREPARE THEM TO CREATE.
